1/23/70

Paul-I'm sending you these additions so you can have read all of it except the appendix. Will you please send or give to Jim, who can ditto to Gary? Thanks. This was done hastily, with my wife not feeling well, witness the omission of a paragraph, so there may be some typose we didn't catch.

Without the first part, some of it may not makes as much sense as it could.

HW
